Dear Mr. Weisberg:

As we stated in our letters of July 29 and August 13, 1969, the copy of the authorization for the autopsy of President Kennedy is part of the autopsy file for President Kennedy ("John F. Kennedy 4-1 Autopsy"). It was in the file at the time the file was received by the National Archives among the records of the Warren Commission. We have no other information concerning the source of the copy of the authorization for the autopsy.

Sincerely,

JAMES B. RHOADS
Archivist of the United States
